“Slav, Russian, can be destroyed but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers.”

## Rus Vs. Khazar Jews (Ukraine) – An Ancient Enmity

The Khazars bought the "Jewish" franchise in the 8th Century to distinguish themselves from their Christian and Muslim neighbors.

Ashkenazi Jews (Israelis) have no connection to the ancient Hebrews. They are Khazars. The Bolshevik Revolution was revenge for the Kievan Rus destruction of the Khazar Empire in 965 AD. The Russian-Ukrainian war continues this millennia-long hate. The NWO is a rebirth of the old Khazar empire, extended to the whole planet. NATO is Khazaria in Drag (literally)

We appear headed for the third Masonic Jewish world war.

A 1994 speech by Chabad leader Mendel Schneerson suggests that the Ukraine war might be a part of a larger plan for Slavic Genocide.

However, although many Ukrainian soldiers have died, Russian reluctance to target civilians would belie this analysis. On the other hand, Russia's failure to trace the problem to Organized Jewry and Chabad, referring to NATO as "Anglo Saxons" would support it.

## by Edward Menez – ([henrymakow.com](http://henrymakow.com))

Was the current Russian-Ukrainian conflict planned by Chabad?

Eduard Hodos was born in Kharkov, Ukraine in 1945 to an Orthodox Jewish family. In 1990, he was recruited by Chabad Lubavitcher Rabbi Schneerson but resigned once he realized that Chabad aimed to destroy the Ukraine. Since then, Hodos has been an outspoken critic of Chabad, warning the public about their agenda — and the political figures and oligarchs who do their bidding. Hodos has since converted to Ukraine's Orthodox Christian church.

In his trilogy called "*The Jewish Syndrome*," Eduard Hodos explains that we are in the midst of "The Third Khazaria".

The First Khazaria: The Great Khazar Empire (VII-X Centuries);

Khazaria was once Magna Bulgaria – (V-VII c.), founded by Erlik, the youngest son of Attila and destroyed by the Khazars accompanied by a tsunami of Gypsies, expelled from Persia!

Don't dismiss the possibility that this jockeying for position in the Ukrainian is indirectly to do with "positioning" for the jews proposed attack on Ukraine in the future....knocking out the final obstacle to "Greater Israel".

As for vengeance driven conflict....the brutal attacks on Yemen....this may be to do with historical events too. In which case it raises the possibility that.....as has been suggested....in a number of quarters....Saudia Arabia is infact ruled by Donmeh....or Arab crypto jews masquerading as Muslims.

(See the very STRANGE bodyguard used by Franco the Spanish dictator....composed of Moroccan Muslims.... Franco is a sephardic jewish surname....so his bodyguard may very well have been composed of Moroccan muslimcryptojews.

Having a bodyguard composed of a group outside the majority population....is a good strategic move preventing "palace coups".

This man on the picture doesn't have a drop of Semite genes. He's Turkic (the hooded eye, the ears close to the skull) + Arya (narrow nose, elongated face)

"Unbending"—Schneerson wishes the Slavs were bent, "but they won't bend, so I have to kill them". Nobody is more of a psycho killer than this, and Slavs do not have to bend or die, but maybe the psychopathic killers do.

"Ashkenazi Jews (Israelis) have no connection to the ancient Hebrews. They are Khazars."

Understandably, there is so much talk about lies after the notorious Covid scandal.

This article continues the Khazar fiction invented by "the great (Jewish) Arthur Koestler", who was displeased with the doings of the Azhkenazi-Jews of the City of London. He tried to acquit the Jews by telling the world the Azhkenazis were not at all Jews but Khazars.

This invention has never been genetically proven – on the contrary!

A comprehensive genetic study was published in The Scientist\* and Nature\*\* in 2013 – without much press attention: According to this study, Europe's Azhkenazi Jews are descended from 4 Italian women and Jewish men. Over time their descendants emigrated to the Rhine Valley to escape from pogroms.

The descendants married German women and procreated intelligent progeny who became i.a. bankers

(i.a. the Rothschilds in Frankfurt a.M.). Due to new pogroms many Azhkenazis emigrated to Poland and Russia.

The genetic investigation showed no Khazar genes whatsoever in the Azhkenazis – except for low occurrence in Levites.

So, in the name of truth you could stop calling the "Jews" Khazars. They are a mixture of Jewish men and prehistoric European women.

Looks like I'm being proven correct again. You're witnessing the beginning of a new 'Holodomor'. The first one in the 1930's was engineered by the Jews & their agent Stalin to eliminate millions of Germanic Ukrainians via the cover of 'collectivization'. The present one is once again being orchestrated by the Jewish Overlords via their Judeo-Communist agent Putin & Soviet Russia's 'World Without Nazism' organization to liquidate more pro-white Ukrainians. Both were/are racial attacks upon the Aryan race, yet most white gentiles can't figure this out..

The Jews have long described Britain as the 'New Jerusalem'. Hitlers greatest mistake was to believe that Moscow was the centre of Jewish Bolshevism. It wasn't then and isn't now – it's London.

Britain has been behind every major European war since 1750.

Khazars supposedly practiced Baal worship, which is one of the major Semitic religions. Khazars we're not. Semitic, but the bad habits that go with Baal worship may have been transmitted to the Khazars by Semitic Phoenician traders. The Crimea I a hell of a lot closer to the Levant than is Cornwall, eh?

Biblical Jews were always falling into Baal worship too, weren't they — and all it's nasty habits like infant sacrifice?

Birds of a feather, wot!

Anonymous—British Israel believers must have been put up to it by Jews, because they always did the paradoxical thing, teamed up with the Jews (who should have been seen as impostors) , as in the William Blake line "this Jesus will never do, either for Englishman or Jew", and Blake's writing was not kept hidden. He also has: "both read the Bible day and night, but I see black where he sees white". Blake was a propagandist for this British servitude at the spiritual level

Watch many different archaeologists discussing things with John McCarthy – the English journalist who was held hostage in Beirut for five years.

It is very interesting indeed. Then read CHRIST in EGYPT by D.M. Murdock – very scholarly. Then there is the great book by Israel Finkelstein The BIBLE UNEARTHED.

Donald Redford wrote a book on the archaeology f ancient Canaan – it was mostly Egypt or ruled by Egypt.

"What is this "Law of God"? It is a pack of lies from the lying pen of scribes." Jeremiah chapter 8 verse 8.

It seems that the Old Testament was written up only about 200 BC. There is hardly a word of truth in it.

For instance, the story they made up about Moses is actually the hero myth of Sargon the Great – who was placed in a basket and the basket was sealed with pitch and sailed down the River TIGRIS until it came to rest in the reeds at the bottom of the Palace garden and the baby Sargon was reswcued and raised in the Palace and became Sargon 1st. the Great.

The "Slong of Songs" was a love song to her kind of a priestess in a Temple in ancient Sumeria. And so on and so forth.

As for child sacrifice – there was none in ancient Israel where they worshipped The Bull – a symbol of fertility and never to do with any kind of blood sacrifice, nor were there any Hebrews or Jews in ancient Israel. Ancient Israel was ruled by Ahab – whose wife was Jezebel (who was Phoenecian.)

Ahab annoyed the Syrians so much that they finally wiped ancient Isael ot and drove the inhabitants out and dispersed them throughout the Empire – never to be seen again.

As for the Ashkenazi! They never had anything to do with ancient Israel either. It was all ruled by Egypt or the Syrians.

It is about the Saudi "royal family" being Donmeh, Jews actually. I have read somewhere that the Semitic Jews originated in Yemen – and that King Solomon's palace ruins are there, as well as the Queen of Sheba's place ruins – and that these things are quite well known to many archaeologists.

Perhaps that is why the Saudis are fighting in Yemen?

Astraea on August 19, 2022 at 11:33 am

To "Ghost who walks"

There was no child sacrifice in Baal worship – but there was in Carthage. "Baal" was a Bull and simply a symbol of fertility – rather obviously.

With those renown and scary high IQ's that Jews have, it's nice to see they finally figured out that they are not descended from the ancient Israelites and their ancestors are from the area of Ukraine and Southern Russia.  
Now will they do the decent thing and admit their mistakes and leave Israel to the true Israelites (the Palestinians) and pack up and leave?

What kind of Nazi follows a Jew as their leader, other than a deluded idiot? What kind of Nazi instigates a war with their racial kinsmen, while Jews cheer on the fight?

The fact is the Nazi Ukrainians have abandoned two of the primary tenets of Nazi doctrine right there, let alone drawing first blood in this conflict against Russia.  
Nature teaches (and that would mean Nazi doctrine teaches) that the weak should not provoke the strong, and yet these fine examples of Aryan virtue followed the Jews into a fratricide against their Slavic brothers.

Make that a third tenet.

'Assyrians' not Syrians.... Assyrians are a distinct ethnos (still around today).. and during the times you are describing (e.g. when Aegypt ruled the near East) they were a major empire...

Of course .. the 'Bible' (Septuagint) was first written in Greek and compiled by Greeks.. and the so called 'jews' of the time a relatively new construct in the process of being cobbled together... (by... as usual.. stealing other 'peoples histories and myths)..

So when evangelists and these ridiculous British Israelists ( a creation of 19th century 'jewish' finance) chunner about the 'original' Hebrew (already a dead 'language' if one can even call it that ..in 300 BC)..

I always have a chuckle to myself...

chesterton on August 19, 2022 at 8:05 pm

NB ...

There was no child sacrifice in Baal worship – but there was in Carthage. "Baal" was a Bull and simply a symbol of fertility – rather obviously.

Also 'Baal' merely refers to the term 'Lord'.. a term of reverence.. and so called bull worship took on many forms and did indeed require child sacrifice...

The Bull being the deity of those seafaring caanites/phoenix people that seeded the Mediterranean empires and that worshiped Baal Molech..

and burned children...

@Paul...Antifa Russia invaded Ukraine. Ukraine did not invade Russian territory. So they drew first blood. But hey keep supporting Antifa Russia like the rest of the deranged Commies on here..

Paul on August 20, 2022 at 1:23 am

Nico X.

The UN has established that neighboring countries have a right to invade a neighbor to stop a genocide. That is what Russia is doing.

When Ukraine is shelling the civilians in the Donbas region over the past 8 years, leading to a death toll of over 13,000 civilians on Russia's doorstep, I consider that drawing first blood.

After WWII and the death toll of millions of Russian dead, Russians do not take kindly to people with Nazi affinities threatening and to kill ethnic Russians, and Russian speakers. (see ex Prime Minister Yulia Tymoshenko's phone call at Youtube) You need to understand, true good Nazis would not take up arms against racially similar people at the behest and joy of Jewish leaders. You have not defended the fact that the Ukrainian Nazis fight and die for a Jewish instigator. So clearly you have a problem with them.

We should agree that Ukrainian men should shoot their leaders, and then drop their weapons and make peace with Russia, including ceding the Dobass region and Crimea to Russia, as well as never joining NATO. Dying for Jews is not what good Nazis do Nico, and you know it.

Arthur Koestler did NOT invent the Khazar hypothesis. There is a body of scholarship spanning a thousand years, prior to the publication of The Thirteenth Tribe, that attests to the Khazarian origin of the European jews. Koestler's popular treatment has little academic value because he didn't cite his sources but its essential thesis is correct.

I've addressed all of Anders' errors before, when he has stated the same as above, previously. My comprehensive rebuttal of "Koestler invented the Khazarian origins of the Ashkenazim" is given in comment #38 at

<https://www.youtube.com/watch?v=pAZsANgpOVw>

A humorous review.....

Hitler born in Austria had j. roots / he invaded Austria / possible reason : to hide his j. roots

Fact is that the cemetery in Dollersheim where his ancestors remains were on his order completely demolished...

Adolf H. let the British escape via Duinkerken (Dunkirk) the Belgian coast...

Somewhere in above vid is mentioned that Hallett writes Hitler was a reincarnation of JC / that is some bridgdes too far Senor Hallett....

Read Yogananda the Swami who did America / a Romanian close disciple of him Donald Walters whose monastic name was Swami Kriyananda writes in his Autobiography of a Western Yogi that his Spiritual Master (Guru) had told his inner circle that AH was a revivant of Alexander ( called by the West : the Great) ...

Also noteworthy Walters writes that his Guru told that he (Yogananda) was a reincarnation William the Conqueror / when he visited once the castle / he tapped his memory of that past life and indicated that a entrance disappeared....that proved to be correct ( approximately)....

A Hindustan Times video (16th Feb) shows a Ukrainian commander with an ISIS patch on his left arm, confirming Russia's claim that in US-occupied Syria the US has been recruiting ISIS [and Al Queda] for war in Ukraine, and later states they are being trained to conduct terrorist attacks on civilians in Russia.

The US is a master of terrorism.

The first thing I did, after I read the 13th Tribe, Arthur Koestler's book, was to check the history of the Magyars. Sure thing, when the come into Panonia, the present day Hungary, during the 9th century, they came along with Khazarian tribes, observing the "jewish" religion. This might have been some talmudic/satanic version of it. When the Magyars became Christian, culminating with the coronation of St Stephen in about year 1,000, they had to put up with an internal "civil" war, in which the Magyars had to defeat the Khazars who opposed Christianity. And sure they did. Thank be to God for that! My conclusion is that the Khazars seem to be very real, that they indeed had whatever fake "jewish" type of religion, opposing Christianity. So, Arthur Koestler story seems to hold very well.

Kay was surely referring to the fact that the cartographic denominative the "Middle-East" was an invention of the Ottoman Empire. Previously, the Middle-East had been called Northeastern Africa on all maps. That the Middle-East is part of Africa is indisputable and correct by the standard geological definition of a continent, which is that the two geopolitically distinct areas both sit on the same tectonic plate.

Israel is in Africa. Hehehe.

Veterans Today cover this story in depth as they point out the faux "nationalists" knew that Kolomoisky and his ilk were preparing to revive a new Khazaria. Helping to build Greater Zion like their terrorist friends ISIS. Russia like in Syria has thwarted those plans.

What is relevant concerning the Khazars is they embrace the Talmud, Frankism etc. The degeneracy of Crowley; Do what thy wilt has its roots in these teachings, the British Establishment from Cromwell on has considered itself Zion as already stated the New Jerusalem re Freemasonry, Hellfire Club etc. The Jews say the Goy are animals the British Establishment in the form of Darwinism likewise think we are apes, birds of a feather flock together.

When people claim to be the real Israel, they tend to forget what the deal was—you will rule the world as my favourites IF you obey my laws and statutes, and do not transgress them and do not disobey but be humble and obey, not disobey etc ad infinitum, and it is all but impossible to obey them all, and very unreasonable to expect it.

James Reinhart on February 16, 2023 at 11:09 pm

Very bad research. The Khazars were Kaganates that reached Siberia and the Khanates were from the Chinese deserts to Siberia. The Kievan Rus is ALL SCANDINAVIAN as Scandinavia defeated the Khazars and created the Russian states of what are known as the Kievan Rus. So the Vikings defeated them but they mixed and are mostly farmers. Land for farming was the most prized possession. Ukraine has the same colors as the Jutes of Scandinavia, but all from Norway to Finland took the region in History in 882. The rest of the Kaganate was defeated in the 10th century in 4 year war:

What if the size and significance of the alleged Khazar "Empire" is being totally exaggerated and never really existed? Is this the second Israel but one without a biblical or even a real historical basis except perhaps some alleged old writings coincidentally discovered for the purpose of creating a new land claim?

People seem to be so very blind about what even UN Agendas 21 & 2030 are about. The 1992 Agenda 21 is about "sustainable development", and constitutes the plan for the 21st century over the entire globe. It is in fact the master plan of the Western corporatocracy (i.e., the international banking cartel, the major corporations and plutocrats, and, in third place, their obedient puppet governments running our nations). The 2015 Agenda 2030 is about the next set of goals of Agenda 21, now being carried out according to the lockstep planning of the elite forces and people appointed to positions of power and authority mainly by agents of the cartel.

Did they wait from 1992 until 2015 to start implementing the first goals of Agenda 21? You would have to be a total moron to think they did. You would have to have your head in the sand to miss the fact that the makings of the US DHS (Department of Homeland Security) was well in the works "before" 9/11 in 2001, and is the basis of the US surveillance state – copied ever since by cooperating governments all over the world. They needed a spectacular terrorist event and what better one could there have been than one where they could pin the blame of those ruthless Muslims who are so anti-Semitic. The 9/11 psyop served many NWO stakeholder interests, but the most essential thing needed for Agenda 21 has always been CONTROL (absolute control) over the people in every nation the tentacles of the power moguls can reach.

It is also totally moronic to think that the effects of repealing the Glass Steagall Act in the US in 1999 was not PLANNED to pave the way for the 2007 mortgage crisis, and continuing economic uncertainty and insecurity, leading to the "QE unlimited" economic fiasco of toady with the deliberate debasing and devaluing our currencies, the suppressing of asset and bullion values, and orchestrating a DEGROWTH mentality worldwide. This is all coming from the diktats of the same money power which created UN Agenda 21 and is overseeing its implementation through the UN, the WEF, the WHO, the WTO and our lucky governments who have betrayed us. Coincidentally, the entire CO2 global warming hoax is another Agenda 21 prop designed to suppress with us with total controls over resources, production and consumption.

Most important is the fact that Agenda 21 is about "sustainable development", and we have have also been sorely misled to wrongly place most of our emphasis on the word 'SUSTAINABLE'. Because of all the emphasis on sustainability issues such as alleged "peak oil", limited "non-renewable" resources, CO2 global warming, and humanitarian and conservation concerns over clean air and water, together with a hyped-up emphasis on "stewardship" from religious sources, the assumption has always been the alleged "necessity" for centralized top-down controls. Meanwhile the power moguls, those very people who boast of owning over 85% of the assets of the world, and who are the same people behind Agenda 21, have actual maps of present and future pipelines, roads, railways, and trade routes drawn all over the world, which they own and control and which they intend to own and control as part of their 21st century global ownership, for THE DEVELOPMENT they have planned to serve their interests. In fact, they have made deals and have even bribed and coerced government bureaucrats and politicians all over the world for their continued cooperation with their plans. That money power really how they manage to "govern" so many nations and are able to continue concentrating and consolidating so much wealth and power into their control.

What the word 'sustainable' means to the power moguls behind Agenda 21 is simply global control over development. Agenda 21 actually means to them "controlled development". The plans actually entail that all future development be totally controlled by the money-power establishment which claims to own over 85% of the assets of the world.

How have these monsters planned to sustain their controls? The tendency of more independent nations to assert ownership and control rights over resources, production and trade routes, or even over trade, is anathema to them. Such efforts have

been increasingly suppressed by the Western power moguls controlling our nations and behind the UN Agendas. The US capital, Washington DC, is completely under their control. They "own" virtually anyone in that town with any real power or influence. In fact the Washington deep state is their ideal model of control for the UN. It is the reason they are the principal backers of the UN and its Agendas. Graft, bribery, blackmail, kickbacks, pay-for-play, insider trading, coercion, intimidation, assassinations, is a way of life for them and as it has become fully institutionalized as such in that major capital to control so much, the same methods are easily implemented on a global scale. In fact, such methods work so well in most capitals, so why not the whole damn globe under one government they can control? That is exactly the way they think and act. To them it is just business. To us it is corruption, injustice, and tyranny.

As you can see northern Caucasia is well within the Khazaria as illustrated in the map. Interestingly big events are brewing up in southern Caucasia, involving Armenia, Iran, Russia, US, NATO and Zion, Turkey, Azerbaijan and possibly Georgia. This conflict could potentially spill into northern Iraq and Syria too.

As I explained, Azerbaijan which is an Artificial country along with Turkey have had plans to take over the Syunik province of Armenia. I explained some of the complexity of the situation. If that happens NATO Turkey will reach Caspian Sea

Note: Caspian Sea (دریای کاسپین یا کاسپیان) is the correct name but unfortunately many people around the region wrongly call this closed lake the Khazar Sea, دریای خزر.

Turkey and Azerbaijan have a dream of creating their Zangezur corridor, the borders in this area are a mess. If we go back to history, a country by the misleading name Azerbaijan should not even exist and these regions used to belong to Iran, in fact the deals between Soviets and Iran under the Shahs regarding this region have already come to conclusion and nullified, yet Soviets no longer exist and a new artificial country has been created in its place; there are always problems with little lilliputian countries that come to being due to wars and power vacuum. Such weak countries are easy to become vassal states. Ilham Aliyev of Baku (Azerbaijan) is not a Turk nor an Azeri similar to Erdogan who is not an actual Turk, but these guys are into neo-Ottoman dreams and unification of Turkic nations, even though they need translators to understand one another's version of Turkish language, unlike Persian speakers that mostly understand one another and do not need translators, this shows how far apart and out of touch they have been. On the other side of the Caspian sea there is Turkmenistan and Uzbekistan extending sporadically to other regions such as Uyghurs of China!

Turkey and Azerbaijan love to bring Turkmenistan's gas through a pipeline going under the Caspian Sea to their regions and from there to Europe and also establish a trade corridor challenging ancient Silk Road that connects China to Mediterranean Sea through Iran. All that is in their way is Armenia which is the oldest Christian country and has had very close historical ties to Iran/Persia.

The north-south corridor also goes through Iran and is the most optimal path anyway; this corridor is being developed rapidly by Russia and Iran, connecting Russia and northern EU countries to Iran and Persian Gulf, and from there to south-Asian countries and India. This is a much better cargo transit path than Suez Canal for these countries.

Iran's land access to Armenia through Syunik province is very important for both Iran and Armenia.

Due to sensitivity of the situation, Iran prefers not to give any opportunity to its enemies to fan the flames of racism and separatism in the historical Azerbaijan region located north-west of Iran. Iran plays by its ideology of resistance and its religion of Shia Islam, even though this time Baku has openly sided with Zion and Turkey and have even imported remnants of ISIS from north of Syria held by Turkey... which would give Iran all the justifications to act, still Iran prefers to avoid war. This will be a kind of proxy war between Iran supporting Armenia and Turkey supporting Azerbaijan. Iran has brought India into this, India has exported weapons to Armenia through Iran. But Iran must have also provided certain none sensitive equipment to Armenian army and you will see why below:

So what is the complexity of the situation that is a major threat to both Iran and Russia?

It is president of Armenia who is a liberal westernized idiot and a Soros child to make it worse! He is Nikol Pashinyan. He truly believes Armenia should seek protection from NATO and US and avoid Russia and Iran. There is a secret deal going on and apparently he has agreed to hand over the Syunik province to Azerbaijan and get some useless things in return! There are signs NATO is going to include multiple new countries as new members and both Georgia and little Armenia could be on that list, strangely there is no room for Ukraine!

This essentially makes both Iran and Russia unable to do anything overtly! Armenia is going to hold a joke wargames with US but the truth is, this is no wargames... there are just about 200 US forces stationed in Armenia for one reason only and that is to protect Pashinian's government against probable internal Armenian uprising.

Both Russia and Iran are now probably working on a solution! Pashinyan is a fool to trust US or is a tool! Should a war ignite, both he and Ilham Aliyev of Baku will be remembered as variants of Zelensky!

Erdogan has convinced Ilham Aliyev that he will back him all the way should Iran interfere with their invasion of Armenia or shall we say handing over of Syunik to Azerbaijan on a platter. In a couple of days US and Zion will activate their next civil unrest within Iran, this will be the perfect opportunity for the transfer of Syunik province.

So the only think that remains is Iran's asymmetric ability to cause unrest within Azerbaijan with its Shia militia forces. Russia may do a similar thing in Armenia but those 200 US forces are there to protect Pashinian!

Just as they are going with their "death by a thousand cuts" against Iran and activating multiple fronts against Iran. Iran also has long reach and may stir the regions for both US and Zion.

The answer to the article's title question is: "Yes, but only Ethnic Europeans."

Both Russians and Ukrainians, Slavic peoples, have been dragged into genocidal war by their two conniving Globalist leaders: tiny Putin and tiny Zelensky, both with ancestral connections to the same desert tribe, carrying out their Globalist assignment of why te genocide. And in this they have been very successful, according to the latest casualty figures on both sides, now up to half a million.

"U.S. estimates nearly 500,000 soldiers wounded, killed in Ukraine war: NYT report" 18th August 2023  
<https://www.cbc.ca/news/world/ukraine-war-estimated-casualties-1.6940723>

"The officials cautioned that casualty figures remained difficult to estimate because Moscow is believed to routinely undercount its war dead and injured, and Kyiv does not disclose official figures, the newspaper said.

Russia's military casualties are approaching 300,000, including as many as 120,000 deaths and 170,000 to 180,000 injuries, the newspaper reported. Ukrainian deaths were close to 70,000, with 100,000 to 120,000 wounded, it added."

Hitler & Stalin also colluded in the same genocidal task very successfully. If Hitler had been a real patriot, he would have focused on building Germany into a great nation, instead of invading 20 other countries to drag Ethnic Europeans into WW2. As Henry Makow pointed out long ago, Hitler was an Illuminati agent who faked his own death and escaped to "Andinia" with Eva Braun, helped by the Soviets, where he watched the culmination of his life's work from afar, as the Allies were brainwashed into launching "Hellstorm" upon the German people, even after peace was declared. Jewish convert to Marianism, Brother Nathanael, has also tried to warn the world about the genocidal wars instigated by his fellow tribe members.

The Wagner Mutiny against Putin's appalling, deliberate misconduct of the war was similar to the mutiny of Hitler's own generals, who tried to kill him over his appalling, deliberate misconduct of the war. They were trying to save the German people, but failed, as Wagner failed to save the Slavic peoples.

Again, the answer to the article's title question is: "Yes."

@Sean...the Jew is a mongrel--this is the root or source (mongrelism) of its evil. Simple.

Donny/Nico X--not proven right, since you enthusiastically supported Azov and other Ukro-Nazis for a long time, as if they were not being set up

andyay on September 12, 2023 at 9:48 pm

No, Simon. I remark upon it too. Israel are currently third in their 2024 European Nations Cup qualifying group, behind Switzerland and Romania. The UEFA Executive is shit at geography.

Andyay and Simon Smith--I would add that "Israel" gained notoriety only because Egypt occupied it, same as the Kingdom of Kush that Blacks are taught to hug like a Teddy Bear

Killing goyim is the ONLY reason for this war, other than establishing "Israel II" from Ukraine, but it won't work. Jews have shown the whole world in 3 years how horrific they are and are going to lose it all, including "Israel I." All corners of the Earth are about to ban them from existence. China has already shut down any hint of "LGBTQ-trans" influence.

Henry is correct: the people who call themselves Jews are in almost every case descendants from the Mongols who converted to Judaism around 800BC. He also makes a correct analysis that the 'Goyim' are being exterminated. Before WW2 was the 'great depression', a time when there was no money for anything. Unexplained and never questioned, there was at the same time however an endless supply of money to fund the war machine

## David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

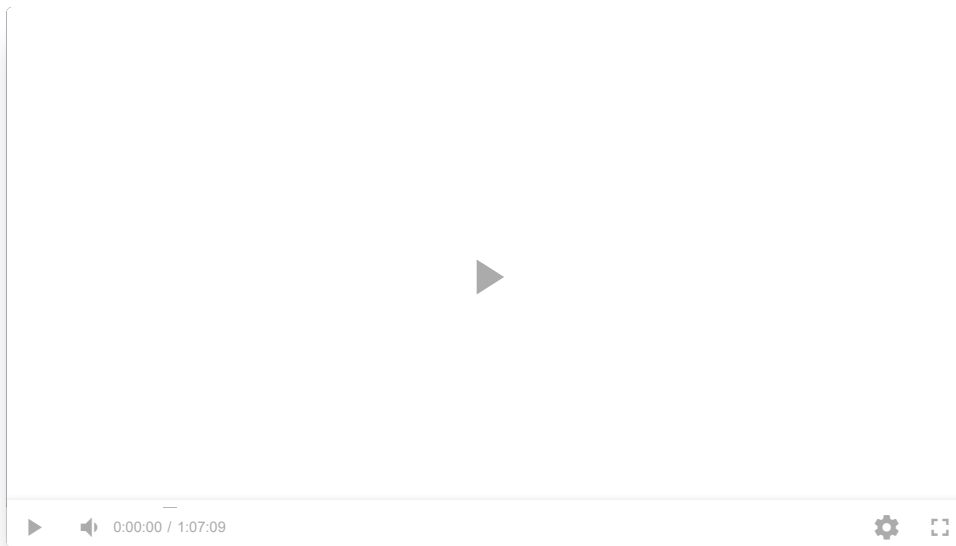

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

## Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). [More info...](#)
